Allision is the 20-year-old granddaughter of one of our faithful church family couples. She was recently diagnosed with Stage-2 Breast Cancer. Also, due to some uncontrollable circumstances, she has no insurance coverage. Her medical cost are very expensive and she needs help. If you can make a donation to help Allison, it would be very much appreciated.

All donations will be made to the Allison Shiver Fund through Community Baptist Church of Columbus. 100% of all donations will also be given to Allison's healthcare.

Please check the box to cover the card processing fee, so that Allison may receive your whole donation.
